Enhance
 GARDENING

We'll take care of it

Enhance Services takes the stress out of your landscaping and garden maintenance so you can get on with more important things. We offer a full range of maintenance and gardening services either by themselves or in combination with our other services to keep your property looking great inside and out.

Grow more than just your plants

A great looking exterior is the key to a good first impression. Our expert gardening staff will enhance your space to encourage greater productivity, improved security and enhanced wellbeing. This in turn will help you grow your business from strength to strength.

Enhance Gardening and Landscaping:

- Design
- Maintenance
- Planting
- Tree & Scrub Care
- Garden Bed Care & Mulching
- Fencing
- Patios, Steps, Walkways & Walls
- Decks
- Irrigation
- Lighting

Our staff:

- Respect your rights and privacy.
- Wear clearly recognisable uniforms and carry ID at all times.
- Are transparent and open about what we're doing and why.
- Behave in a professional manner at all times.

ISO Accredited: Enhance is accredited for ISO standards in OHS, Quality and Environment. We offer integrated services to help you create a great environment for your staff and customers, and improve the value of your commercial property.
